**Jazz Classes** -Our Jazz classes stress basic jazz techniques and combinations, progressing from Beginning through Intermediate, to Advanced. All Jazz classes offer a wide range of styles, from Broadway to Lyrical, Hip Hop to Celtic, Swing to Bollywood! With an emphasis on performance, self-expression and fun, there's a Jazz class to challenge all skill levels.

\*Must have instructor permission AND also attend Int/Beg Jazz.

**Tap Class** -Our tap classes stress basic tap techniques and combinations progressing from Basics through the Intermediate level. Tap classes will work on routines to be performed in a show. Come and join the fun!

**Kids Combo Class** -The kid's combo class offers 8-12 year olds a variety of dance experiences including Ballet, Jazz and Tap. An experienced instructor will teach the basics of each discipline plus dance combinations and performance skills.

**Resist-A-Ball + Weights** - This is a 45-minute class of intense exercises that tones and strengthens, with an emphasis on core strength training. This is a must for all dancers of all styles and any who want to be fit and strong.

**Musical Theater** - Musical Theater combines show dance of many styles with vocal work and script memorization. All is brought together with characterization, acting, and performance. This class IS Act II!
